17. Does the Institution have Management Information System ?	Yes
If yes, give a brief description and a list of modules currently operational (maximum 500 words)	<p>List of Modules: 1. Students Database 2. Attendance 3. Marks Management 4. Hostel Students Database: Students Database contains the detailed information of every student like Reg. Number, Name, Address, Parents Information, Blood group, contact information, etc. Attendance: Hourly based attendance management system, through which reasons can be mentioned for absentees and on duty students. Bulk marking feature is embedded with append periods option, append period feature is useful for continuous hours like laboratory sessions. Mark Management: Internal Assessment Marks, slip test marks, Model Examination marks can easily be managed through this module. Reports can be taken subsequently for all the mentioned assessments. Hostel: Attendance management of hostel students managed by this module. Through marked Attendance Mess bill details can be calculated at the ease.</p>

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Institution had formally published the vision, mission and quality policy in 2001 and these are reviewed periodically for their continued suitability and effectiveness. All the programs reflect this vision and mission. A brief description of how the vision and mission are reflected in the various academic programs is provided below: Undergraduate programs:- These courses are followed by courses in engineering sciences to provide a smooth transition from basic sciences to professional engineering courses. In addition, courses in science & humanities are incorporated to develop appreciation of the impact of science and technology on society. The undergraduate curriculum consists of two main components i.e. core courses and professional courses. It involves teaching of subjects in Basic Sciences, Humanities and Engineering. The Institute strives to foster among its students a strong desire and capacity for continuous learning as well as self appraisal to develop sterling human & professional qualities Post Graduate Programs:- The Institute offering various M.E./M.Tech/MBA. programmes has uniformly maintained the basic structure and philosophy of the post-graduate education in engineering in the country. All these programmes, regular or part-time, have their course work classified into two major categories: Core Courses and Elective Courses. Elective courses are of

professional nature. To be eligible for a degree, a student must complete requisite number of core and elective courses. The seminar and project should be on a topic relevant to the area of study, presenting the state-of-art work done on the subject. The problem taken up for the thesis/dissertation should be as far as possible on the work done for the seminar.

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>The Feedback system is receive the response from the following members :</p> <p>Students Response: The students are the backbone of the institution. There are certain parameters which have to be considered while obtaining students feedback. They are : • Content of the subject • Overall understanding of the subject • Applicability to real life situations • Facilities given to the students like ATM, Canteen, Library and lab etc.. • Transport facilities • Evaluation process Theory correlated with Practical, Availability of study material, Instilling Creativity, Recent Advances, Depth of course contents and Human/Social values, professional ethics addresses. Based on the feedback received from the Students, measures are taken in the areas that are to be improved.</p> <p>Parents Response The parents are the important stakeholders of the institution. The parents must be satisfied with the work executed in the institution. The feedback is obtained in such a manner of how the parents meeting conducted. 2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2018	671	33	117	25	142

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
142	142	7	55	7	1

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Student mentoring system is available in our institution. The total numbers of students of a particular department are divided by the number of the faculty members of the same department. Mostly 1: 4/5 ratio is attained. A student profile is maintained for each student. The profile consists of the personal Biodata entry, Semester marks entry and Achievements of the students entry that will be recorded for every semester. A counselling format is given where the mentor has to counsel the students four times a semester. This profile also includes the entry page for parents meeting. All the slip test and Internal marks has to be recorded in the profile. When a Student Profile is taken for a particular student all the details will be reflected. The same profile will be maintained for the four years and regular updating will be done. The Head of the department has to verify for each semester.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
704	142	1 : 4

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurred on maintenance of physical facilities
50000000	26889315	250000	220243

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory,

library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Laboratory Facilities: COMMUNICATION LABORATORY: Objectives To equip students of engineering and technology with effective speaking and listening skills in English. To help them develop their soft skills and personality traits, which will make the transition from college to workplace smoother and help them to excel in their jobs? To enhance students performance during placement interviews, Group Discussions and other recruitment exercises. Salient Features of the Lab A sophisticated and decorated lab with wooden wallpanel. Digital Hometheatre speaker systems Roof speakers with studio master and woofer. Head phone for each student. Networking of all systems with Teachers Console system. Monitoring and supervising the lab practical's by the lecturers in English.

PHYSICS LABORATORY The Physics department has a well equipped laboratory, to provide an experimental foundation for theoretical concepts in the lectures. It is important that students have an opportunity to verify some of the ideas for themselves. We implement the upgraded syllabus of the Anna university practical oriented experiments. The well equipped electrical, thermal and diffracted pattern of following instruments is being used. • Meter bridge • Band gap • Thermal conductivity • Lee's disc • Spectrometer • Laser

CHEMISTRY LABORATORY The Chemistry department has a well equipped laboratory, to provide an experimental foundation for theoretical concepts in the lectures. It is important that students have an opportunity to verify some of the ideas for themselves. Chemistry department has facilities for conducting analytical work, chemical investigation of water analysis like hardness, alkalinity dissolved oxygen, PH and analysis of metals. Instruments like • Flame photometer • Spectrophotometer • Potentiometer • PH meter • Conductivity meter etc.,

Class Room Facilities Technology needs to be integrated into teaching and learning process and the Institution has done the best to ensure it in these well equipped classrooms. Technology has been deployed for better studentteacher interaction, productivity and communication. It makes teaching and learning simpler and enjoyable. • Lecture Halls • Tutorial Rooms • Seminar Hall • Conference Hall

Library Facilities: The library transactions are carried out by Bar code Technology. It has the facility of Web OPAC online search. So the library catalogue can be accessed through internet. The library is being subscribed to the Eresources. The library functions from 8:00 A.M. to 8:00 P.M. on all working days.

Sports facilities: • The college provides varied extracurricular activities in Sports for training the students in Physical Education Gymnasium for both hostlers and dayscholars. • The college offers free admission for the students to practice sports and athletics in the nonworking days. • We offer regular and standard coaching for the students through qualified Physical Director qualified Physical Trainee team of faculties. 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Education is the process of continuous growth and is lifelong. Educational Institutions should be the home and repository of fresh thoughts and new orientations. Whatever may be the transformation, it will be clear that education has two main aspects - the cultural aspects which make a person grow and, the production aspect which makes a person do things. These two aspects are not exclusive of each other. Education, science based and coherent with Indian culture and values, alone can provide the foundation for the nations security and welfare It is a matter of great pride and satisfaction that gives me great pleasure to announce that Sasurie Institutions are developing as centres of excellence for quality professional education, research and training.
